**Subject:** Re: East Ferry Road

Hi Lance,

Our fee for 2-foot contours of the 100-foot strip (will be wider at the draw) with right of way acquisition plats and clearing limit staking is \$4,000. No staking of the centerline, grades, or final right of way is proposed at this time, but can be provided after clearing at an additional cost.

Let me know if you need anything further. We can get started within one week of your notice to proceed and have everything complete within two weeks or sooner thereafter.

Matt

Matt,  
Can you send a quote via email for the East ferry road surveying please sir?  
Thanks  
Lance
